Marin City Newsletter

September 2026

As your service provider, Bay Cities Refuse understands the critical role our service provides in relation to maintaining a safe and healthy community,

SB 1383 Compliance Made Easy!

Doing your part to reduce waste can be simple! With the right collection services and a few everyday sorting habits, residents can easily meet California's SB 1383 requirements. Keeping food scraps, yard trimmings and other compostable materials out of landfills helps reduce methane emissions and supports a cleaner, healthier Marin County.

Single-Family Homes
Residents of single-family homes, condominiums and apartments with fewer than five units must subscribe to and use recycling and compost collection in addition to landfill service.

- ✓ Place food scraps, food-soiled paper and yard trimmings in the compost cart.
- ✓ Place bottles, cans, clean paper and approved containers in the recycling cart.
- ✓ Reserve the landfill cart for waste that cannot be composted or recycled.

Multifamily Homes
Apartments, town homes, condominiums and mobile home parks with five or more units are considered multifamily properties. Owners and property managers must:

- ✓ Provide recycling and compost collection.
- ✓ Clearly label all waste containers.
- ✓ Make recycling and compost containers as convenient to access as landfill containers.
- ✓ Educate residents and monitor containers for contamination.

Residents can help by following posted sorting instructions and notifying property management if recycling or compost service is unavailable. Small actions by every household can make staying compliant easy and effective.

For more information, contact Bay Cities Refuse or visit Zero Waste Marin website.

SAUSALITO'S GENERAL CLEANUP

Friday, October 25
Pick-up is on your regular day

- Please place material in front of your home by 6:00am (Place curbside nearest to the center of your property).
- WAIT THERE IS A LIMIT: 2 Cubic Yard per Household ((14) 32-gal plastic bags). Place all general waste in plastic bags or boxes or cans. NO LOOSE ITEMS!
- Larger items SUCH as furniture, mattress', etc. CAN be collected but may require an additional fee if over the limit. Please call our office ahead of collection day with questions and/or to schedule, 415-332-3646.
- NO Hazardous waste, rocks, dirt, cement, wood, ashes, heavy metal, paint, green-waste or similar material will be collected.
- Any items that may damage the packing mechanism of the trucks will not be collected.

Come Make a Difference!

Make a Difference Day is Sausalito's citywide day of volunteer service — a single day when community organizations and neighbors come together to attend and care for the places we all share. Connect with your community, give back, build friendships, and make a meaningful impact through collaborative volunteering. Volunteer! **makeadifferencesausalito.org**

Finding a New Home for Useful Items

Do you have items that are still useful and in good condition, but you no longer have a use for them? Here are a few ideas for finding a new home for a wide variety of items:

Direct Online Resources

Try to find a new home for your item by directly listing your items on online forums such as Craigslist, Facebook Marketplace, or NextDoor. Chances are a neighbor or community member could use the item! You can also see if your area has a local "Buy Nothing" group on Facebook, where people can post items they no longer need to prevent someone else from needing to buy it new.

Donation Services

There are several services operating in Marin that are specifically looking to re-home useful items from folks who no longer need them. For example, Make It Home, Waste Not Want Not Salvaging, Goodwill and Salvation Army, and local thrift or consignment stores.
